

# Behaviour Mastery Programme

## Overview

At Bouncing Statistics, we believe that every school should be a place where both students and staff thrive. Our **Behaviour Support & Relationship Building Service** is designed to empower your educators and staff to create positive, productive, and respectful learning environments

### What We Offer:

Our service focuses on helping school staff develop the skills and strategies necessary to handle challenging behaviour effectively, while also fostering strong, positive relationships with pupils. We work closely with your team to create tailored solutions that meet the unique needs of your school community.

Key Features of Our Service:

1. **Behaviour Management Training:** We provide evidence-based training on behaviour management techniques that are practical, effective, and designed to create lasting change. Our approach emphasises positive reinforcement, de-escalation strategies, and the importance of consistency in managing pupil behaviour.
2. **Relationship Building Workshops:** Strong relationships are at the heart of effective teaching. Our workshops focus on communication skills, empathy development, and building trust with pupils. We help staff understand the underlying causes of behaviour and how to connect with students in meaningful ways that encourage cooperation and engagement.

3. **Ongoing Support and Mentorship:** Change doesn't happen overnight. That's why we offer ongoing support and mentorship throughout the programme for your staff, providing guidance as they implement new strategies.
4. **Customised Action Plans:** Every school is unique, and so are the challenges they face. We work closely with your leadership team, ECT's to develop customised action plans that align with your school's goals and values. Whether it's improving classroom management, reducing incidents of disruptive behaviour, or enhancing overall school culture, we tailor our services to fit your needs.
5. **Whole-School Approach:** We believe in the power of a whole-school approach to behaviour and relationship building. Our service is designed to involve all staff members—from teachers to administrators to support staff—in creating a consistent, nurturing environment for pupils.

## Why Choose Us?

1. **Expertise:** Our team consists of behaviour specialists with a deep understanding of the challenges schools face.
2. **Proven Impact:** We use research-backed methods that have been proven to reduce behavioural issues and improve student-staff relationships.
3. **Collaborative Approach:** We partner with your staff, respecting their experience and knowledge, while offering new tools and perspectives.
4. **Long-Term Success:** Our goal is to create lasting positive change in your school, benefiting both staff and pupils for years to come.

With our Behaviour Support & Relationship Building Service, you're not just addressing immediate concerns—you're investing in a better future for your school. Let us help you create a supportive, thriving learning environment where both staff and students can succeed.
